Mystic Dragon Force Ambiguous

Breaking free,
From cruel fate;
Taking charge now,
Tomorrow cannot wait;
I'll make the path I'll take.
I was spread out,
In a small world before me;
Let it surround me,
And hold me down.
Once more into the storm,
Taking the road;
With the courage,
Using it to renown.
But you,
I could never fool.
You're a rebel,
A fighter like me.
You always kept on fighting,

Tried to break my walls;
Take the fire in my heart,
And set it free!
Crank it up!
We got this!
Time to show some skin!
Parts laid bare,
But I don't care!
Baby, it's a rush of pure adrenaline!
Breaking free,
From cruel fate;
Taking charge now,
Tomorrow cannot wait;
I'll make the path I'll take,
And I won't be alone!
Gonna change the world,
And make it our own!
Yay-yeah!
Hey-yeah!
Undivided!

We stand united!

Naked!
